

Sub-processors

Last Updated: November 3, 2023

This document provides information about the sub-processors that Keyboard Logic has engaged in accordance with the Keyboard Logic Data Processing Addendum (“**DPA**”) to provide processing activities on Customer Data (as defined in the DPA) on behalf of customers. Sub-processors relevant to an individual customer will depend on the particular Keyboard Logic services that the customer uses.

Keyboard Logic will update this document at least 15 days’ prior to engaging a new sub-processor.

1. **Third-party service providers.** Keyboard Logic has contracted with the following unaffiliated service providers for the Keyboard Logic services described below.
